

Jesus & Mary Secondary School, Salerno

Photographs and Digital Images of Students

The school maintains a database of photographs and digital images (including video) of school events held over years. It has become customary to take photographs of students engaged in activities and events in the interest of creating a pictorial as well as an historical record of life at the school. Photographs/digital images may be published on our school website or in brochures, yearbooks, newsletters, local and national newspapers and similar school-related productions. In the case of website photographs/digital images, student names will not appear on the website as a caption to the picture. If you or your child wishes to have his/her photograph/digital image removed from the school website, brochure, yearbooks, newsletters etc. at any time, you should write to the school Principal.
